FUNDS.***

LAPEER COMMUNITY

SCHOLARSHIP AND STUDENT LOAN FUND

*Lapeer Graduates
are ready to soar.*

*YOU CAN HELP CREATE A BRIGHTER
FUTURE TODAY.*

Starting College is a major financial commitment. For over eighty years, the Lapeer Community Scholarship and Student Loan Fund has been providing assistance to Lapeer graduates. With rising costs in college tuition and a higher percentage of our graduates attending college, more financial resources are needed to help our students.

THE LAPEER COMMUNITY SCHOLARSHIP AND STUDENT LOAN FUND

The Lapeer Community Scholarship and Student Loan Fund Board is a non-profit corporation that raises funds to assist Lapeer high school graduates with college costs. The LCSSLF Board of Directors include community and business leaders, school staff and Lapeer Community Schools alumni. The Board carefully plans, invests and administers all scholarship and loan funds to maximize earning from endowments and to allocate funds each year to scholarships and loans. With continued support from our community and as the funds grow, so too does the opportunity to provide more loans and scholarships to our graduates as they begin their college education.

Lapeer Community

Scholarship and Student Loan Fund

CREATE A LEGACY BY GIVING TO THE SCHOLARSHIP AND LOAN FUND

Financial support of the Scholarship and Student Loan Fund includes gifts made as memorials to family and friends, as well as planned giving through trusts and estates. The Rod Parsch Memorial and the Joann Nelson Memorial Scholarships are given annually at our high school honors convocations; the donors and memorials are published in the program at each school.

The scholarships and loans have been distributed to college students who graduated from Lapeer High School, Lapeer West, Lapeer East and Lapeer Community High Schools.

The Lapeer Community Scholarships were established with donations from Lapeer teachers, staff and community members. Some made one-time, others made payroll deduction donations. Five-\$1,000 Community Scholarships are given to students from all three high schools. The selection criteria includes attending Lapeer Community Schools for at least seven years.

HISTORICALLY SPEAKING...

The Lapeer High School Student Loan Fund wrote its first loan in 1924. A scholarship program was later added.

IN THE PAST 10 YEARS

Over 200 Loans have been distributed in the amount of over \$300,000.

Over \$100,000.00 in scholarship money was distributed.

In 2012, 23 loans were issued to Lapeer graduates students through this fund assisting them with their college expenses.

College graduates are making regular payments back to the Fund which will in turn be used as new loans for next year's high school graduates.

In 2012, Lapeer graduates received \$9,300 in scholarships.
